

INDIAN INSTITUTE OF PETROLEUM & ENERGY

Post Box No: 372

Main Building, II Floor, AU College of Engineering (A)

Andhra University, Visakhapatnam - 530 003

Telephone Nos: 0891 – 2575152, 2585152, Email: iipevizag@gmail.com website: www.iipe.ac.in

India's new Avenue of Academic Energy?

Quite Interesting! Yes, explore now

- **Andhra Pradesh**, the Sun rising State is now feather capped with a new Avenue of Academic Energy by Government of India. Yes, It's the **Petroleum University** titled as **Indian Institute of Petroleum & Energy IPE-Visakhapatnam**
- **The objective?** Very clear – to be a glorious academic intellectual institute with research potential in the arena of Petroleum and renewable and non-renewable energy.
- **The Motivator?** Ministry of Petroleum & Natural Gas under Government of India fulfilling its obligation towards Andhra Pradesh;

- **Importance?** The Ministry of Petroleum and Natural Gas declared IPE as an Institute of National importance at par with IITs. The Central cabinet Okayed this for enactment in Parliament soon.
- **Energy behind IPE?** All public sector Oil and Gas giants of India HPCL, OIL, IOC, GAIL, ONGC etc., and MoPNG at the helm of affairs;
- **Who will mentor IPE?** IIT Kharagpur, the first IIT in India with sixty glorious years of experience in delivering world class products to lead the Globe in academics and industry.
- **Why Visakhapatnam?** Yes It's a beautiful port City with its flora and fauna and rich Bay of Bengal's scenic ocean view. Above all the people are peace lovers and hence Vizag is known as City of Destiny with unity in diversity of cosmopolitan culture. It's also one of the world's fastest growing City.

- IPE has its locational advantage of KG (Krishna Godavari Basin) which is now identified as richest potential for Oil and Natural Gas resources.
- **Where is it running now?** It's running now in the age old Andhra University College of Engineering Campus temporarily till such time its prodigious campus is ready in about 200 acres of land offered by Government of Andhra Pradesh.
- **What IPE offers at this moment?** Two undergraduate courses B.Tech (Petroleum Engineering) and B.Tech (Chemical Engineering);
- **How intake is taken?** The talent of JEE Advanced is attracted based on ranks:
- **WHAT IS AWAITING IPEITIANS?** A glorious and enriching career/ future in the Globe once they are out with their Degree in relevance to their academic intellectual performance?
