

B.TECH. ADMISSION – 2017 (JEE Advanced, 2017)

IITPE, Vishakhapatnam invites applications from the Indian citizens for admission into 4-year B.Tech. programmes in the following disciplines for the academic session 2017-18

Programmes

- Petroleum Engineering (Number of seats 50)
- Chemical Engineering (Number of seats 50)

ELIGIBILITY

Admission will be based on JEE (Advanced) - 2017 Rank List.

Performance in Class XII (or Equivalent) Board Examinations: The candidate should satisfy at least one of the following two criteria for admission to IITs.

- (1) Must have secured at least 75% aggregate marks in the Class XII (or equivalent) Board examination. The aggregate marks of SC, ST and PWD candidates should be at least 65%
- (2) Must be within the category-wise top 20 percentile of successful candidates in their respective class XII (or equivalent) board examination. The percentile calculation will be done for the required subjects in a single academic year only. The marks scored in the following five subjects will be considered for calculating the aggregate marks and the cut-off marks for fulfilling the top 20 percentile criterion. i. Physics, ii. Chemistry, iii. Mathematics, iv. A language (if the candidate has taken more than one language, then the language with the higher marks will be considered). v. Any subject other than the above four (the subject with the highest marks will be considered). For calculation of the total marks for five subjects, if the marks awarded in a subject is NOT out of 100, then the marks will be scaled (up or down) to 100 so that the total aggregate marks is out of 500.
