About the Institute

Indian Institute of Petroleum and Energy (IPE) is envisaged to serve as the fountainhead for the nurturing of world class technical human resources capable of serving as the Leader and Innovator of tomorrow in the field of Petroleum Technology and Energy covering the entire hydrocarbon value chain. IPE at Visakhapatnam, Andhra Pradesh, is granted by Govt. of India to start its admissions from the academic year 2016-17. The Visakhapatnam is the city of destiny with Bay of Bengal on three sides of the city and with IT sector and with several reputed giant industry like HPCL, Visakhapatnam Steel Plant, Hindustan Shipyard Limited, Coromandel Fertilizers Ltd, Andhra Petro Chemicals etc. The Kakinada-Visakhapatnam Petro corridor also helps the city to have lot of potential for educational organizations of international status to grow. With a high degree of autonomy in terms of its academic, administrative and financial functioning, IPE grants degrees and other distinctions and titles just like the reputed IITs. Furthermore, IPE enjoys the patronage and support of the Ministry of Petroleum and Natural Gas, Government of India. In view of the establishment of IPE as outlined above, IPE shall be an '**Institute of International Importance**'. The Institute is planned to develop high standards in imparting higher education in the field of Petroleum Technology and Energy. The curriculum of the Institution is proposed to be a specialized one and advanced with programmes at post graduate and doctoral level and specialized one year programs based on inputs from industry experts.

Invite:

The Institute invites application from Indian Nationals, Non Resident Indians (NRIs) and Persons of Indian Origin (PIOs), possessing excellent academic background, commitment to top quality teaching and proven credentials for carrying out outstanding research and development for IPE.
