DIRECTOR'S MESSAGE

Welcome to Indian Institute of Petroleum and Energy (IPE), Visakhapatnam!

The Indian Institute of Petroleum and Energy (IPE), Visakhapatnam, is an autonomous institute under the Ministry of Petroleum and Natural Gas, Govt. of India. In 2017, with the passing of the IPE Bill in the Indian Parliament, IPE was declared an 'Institution of National Importance.' Today, it is widely considered to be at par with the Indian Institutes of Technology (IITs) and the Indian Institutes of Management (IIMs). IPE has achieved this prestigious status by joining hands with the major oil corporations such as HPCL, IOCL, ONGC, GAIL, & Oil India Limited. The Chairpersons and Managing Directors of these companies constitute the Governing Council of IPE along with the Directors of IISc, Bangalore, and IICT, Hyderabad.

Indian Institute of Petroleum and Energy (IPE) stands committed towards quality education and students of IPE have been tuned in the same way. It gives me immense pleasure to present you energetic, highly motivated, and talented pool of students for recruitment in your esteemed organization. I believe that students will not leave even a single stone unturned to utilize their fundamentals in delivering as per industry requirements. Moreover, their active participation in extracurricular activities aided in their communication skills and developed their self-confidence. The students were fortunate enough to learn the basic concepts from a blend of eminent professors across the globe. Due to this special quality of learning, a number of our students were successful in getting good ranks in GATE, getting admissions in the prestigious Universities abroad and some of the students got direct Ph.D. admissions in IITs. I take this opportunity to invite industries/organizations to visit our campus for recruitment and provide an opportunity for young talented students of IPE. I am confident that this will be a win-win situation for IPE and the industry. Looking forward to better interaction with your organization.

Best Wishes!
Prof. Shalivahan

PROGRAMMES OFFERED

B. Tech. (Petroleum Engineering)

The programme aims to prepare graduates for professional practice in industry in the field of petroleum engineering with emphasis on upstream activities that encompass exploration, reservoir and production. The programme intends to create technical professionals capable to take on engineering responsibilities across the entire value-chain in the Oil & Gas Industry. The programme is designed to develop conceptual skills in the fundamental aspects of petroleum engineering and to apply best techniques in the Oil & Gas sectors.

B. Tech. (Chemical Engineering)

The programme aims to develop competent Chemical Engineers with specific emphasis on industry centric talent requirements. The programme plans to expose the students to the fundamentals of Chemical Engineering and instill innovative thinking to solve the problems related to energy, environment, etc. This programme intends to create professionals who can fit in well in a dynamic sector where they come across various technological advancements. During the course, emphasis will be laid to foster student's ability to deal with complex problems in multidisciplinary situations.

B. Tech. (Mechanical Engineering)

The goal of the program is to cultivate skilled Mechanical Engineers who possess specialized knowledge in the energy industry. The program aims to provide students with a strong foundation in Mechanical Engineering principles while fostering innovative thinking to address energy-related and environmental challenges. By participating in this program, students will develop the skills necessary to thrive in a rapidly evolving field that encounters various technological advancements. Throughout the course, significant emphasis will be placed on enhancing students' abilities to tackle complex problems in diverse interdisciplinary contexts.

Post Graduation & Ph.D Courses

Apart from BTech programmes in the above mentioned disciplines, IPE also offers MSc in Applied Geology, MTech in Energy Science and Engineering and PhD in Petroleum Engineering, Chemical Engineering, Mechanical Engineering, Energy Science & Engineering, Computer Science and Engineering, Electrical Engineering, Earth Sciences, Physical, Mathematical, Chemical and Biological Sciences.

IPE'S STUDENT CHAPTERS

A student body is proposed to be elected from among the students of IPE which forms the Students' Council. This body would help in managing the events and functions that take place in the college. There are various positions in the body such as President, Vice President, Secretary and executives that the students would thrive to achieve.

This council is a body for periodic discussions with Director of IPE and faculty to get their valuable guidance in the following fields:

- (a) Academic discipline
- (b) Extra-curricular activities
- (c) Co-curricular activities
- (d) To organize students' activities
- (e) Promoting active participation among members

Student Chapters :

American Association of Petroleum Geologists (AAPG) student chapter:

American Association of Petroleum Geologists (AAPG) is a global organization that comprises a group of professionals and students. The Student Chapters Program of AAPG plays a critical role by providing an avenue where undergraduate and graduate students can engage in meaningful networking opportunities, and connect with professionals, both inside and outside of academia. IPE AAPG Student Chapter commenced during 2019-2020 academic session with chapter ID 10198223. The AAPG Student Chapter, IPE has organized various field trips, Abstract Writing Competition and various other events. IPE AAPG student chapter is the grant recipient of the American Association of Petroleum Geologists Foundation L. Austin Weeks Undergraduate Grant Program for the year 2021 and 2022.

Society of Petroleum Engineers (SPE) Student chapter:

Student chapters are located around the world and provide an operating framework for society activities at a university level. IPE SPE Student Chapter with the vision of providing continuous personal and professional growth will bring the opportunity for students to organize and participate in technical and non-technical events, engage in technical discussions, network with industry professionals, and learn more about the oil & gas industry. Established on October 2020, it has organized various events including a virtual panel discussion, quiz competition "Quizophile", career talk, etc.

The IChE Student Chapter:

The Indian Institute of Chemical Engineers, IChE student chapter is a conglomerate of professionals from academia, research institutes, and industries across the country it was established on September 2019. It has always been instrumental in the provision of a forum for joint endeavors and a stage for industry-academia interaction. The organization has therefore always proved to be beneficial for the applications of chemical engineering and allied sciences. The IChE Student Chapter, IPE, since its inception has conducted events like logo-making competition, quiz competition, essay writing competition, and "Article Quest-2020".

IIFE STUDENT'S ACHIEVEMENTS

- IIFE Students have secured GATE Ranks 103, 144,182, and 199 in Chemical Engineering for the year 2024.
- IIFE Students have secured GATE Ranks 44, 53, and 71 in Petroleum Engineering for the year 2024.
- Students have represented IIFE in various International events (such as EAGE-Vienna, SPE, Indonesia, etc.) around the world.
- IIFE Students have secured GATE Ranks 22, 35, and 98 in Petroleum Engineering for the year 2023.
- IIFE Student have secured GATE Rank of 65 in Chemical Engineering for the year 2023.
- IIFE Student has secured CAT 99.85 percentile in (Petroleum Engineering) for the year 2023.
- 14 students were placed with various PSU's (ONGC, HPCL, IOCL, GAIL) through campus recruitment for the year 2023.
- 3 Students of 2022 passed out (Petroleum Engineering) were been recruited by ONGC through GATE 2023 ranks.
- 2 Students of 2020 passed out (Petroleum Engineering) were been recruited by ONGC through GATE 2023 ranks.
- 3 Students of 2022 (Petroleum Engineering) were been recruited by ONGC through GATE 2022 ranks.
- IIFE student wrote a research paper on Diffusion and surface reaction in porous cubical catalyst: A mathematical approach, Recent Innovations in Chemical Engineering.
- IIFE Students have secured GATE Ranks 16 , 74 in Petroleum Engineering for the year 2022.
- IIFE Students have secured 93 GATE Rank in Chemical Engineering for the year 2022.
- IIFE student secured rank 7 in category c(undergraduates) of limit 2021 competition, an International online mathematics competition, organized by the students and scholars of Indian Statistical Institute(ISI) Bangalore.
- An IIFE student is a grant recipient for the 2021 AAPG foundation L. Austin weeks under graduate grant program in the AAPG foundation's. Austin weeks undergraduate grant program annually awards deserving undergraduate level geoscience students and student-led geoscience associations with \$500 grants.
- IIFE student secured 2nd place in an online team event at Chem Fluence organized by association of chemical engineers, anna university on 16th March 2021.
- IIFEians got outstanding success in the Petro-vision poster presentation in Petragon 2.0 by SEG, SPG, EAGE, PDEU student chapters.
- Technical papers were authored by IIFE students, selected to be presented at SPE Russian Petroleum technology conference 2021, and later to be published on one Petro.
- IIFEians won case study competition conducted by SPE RGIPT student chapter in March 2021.
- IIFEians participated in the semifinal round of the international competition "Venezuela - energy solutions for the future".
- IIFE student secured first place in Petr-o-probe international level quiz competition of petrovision'21 conducted by ac tech, Anna university SPE student chapter from 26th to 28th march 2021.

PLACEMENT STATISTICS

Recruiters from both public and private sectors related to the Upstream, downstream processing of the oil and gas industry are visiting the campus for placements. Apart from the traditional refining jobs, organizations working on the allied areas of construction, analytics companies having the oil and gas energy vertices also have recruited a large number of students.

2024 GRADUATING BATCH PLACEMENT STATISTICS

Number of Students Registered	Number of Students Placed	Overall Percentage
48	47	97.9 % (As of 22nd July 2024)

Branch	Highest CTC *
B.Tech Chemical Engineering	17.3 LPA
B.Tech Petroleum Engineering	20.71 LPA

*As of 22nd July 2024, Still Placements are going on.

For the 2024 Graduating Batch, the highest offered annual package is at 20.71 LPA. Noteworthy is that various prominent core companies like Halliburton, Reliance BP, HPCL, IOCL, Total Energies, HPCL Rajasthan Refinery Ltd, Wipro, Jindal, Tata Group, HMEL, L&T Hydrocarbon, Argus Oil & Gas Consulting, Worley, Indian Oil Adani Gas, Linde, etc., have visited IPE this year and 9 students were selected with PSU's through campus recruitment.

PLACEMENT STATISTICS

Every student from the 2021-2025 batch has successfully obtained industrial internships, with prestigious organizations including HLS Asia, Halliburton, ONGC, OIL India, HPCL, IOCL, and GAIL, among others. Similarly, all students from the 2023-25 Batch M.Sc. in Applied Geology have secured internships with Halliburton, OIL India, and ONGC.

2023 GRADUATED BATCH PLACEMENT STATISTICS

FEW STUDENT TESTIMONIALS FROM 2023-24 BATCH

I'M AN IIPEian

PLACEMENT'S TESTIMONIAL

I am immensely grateful to IIPE for providing an excellent platform to develop my skills and secure a position at my dream company, Halliburton.

The support from the faculty and the CDC has been invaluable throughout my journey. Thank you for helping me achieve this milestone.

Proud to be an IIPEian!

Aayushi Jagat Gangwar
20PE10022
B.Tech Petroleum Engineering

I'M AN IIPEian

PLACEMENT'S TESTIMONIAL

I am immensely grateful to the IIPE fraternity and specially the Career Development Cell (CDC) for their unwavering support and dedication. Their guidance and resources were instrumental in helping me secure my dream job at HPCL, a Maharana PSU. The mock interviews and workshops greatly enhanced my confidence and skills. The team's commitment to student success is truly commendable. Thank you for making this possible!

Aman Bhaskar
20CH10029

B.Tech Chemical Engineering

I'M AN IIPEian

PLACEMENT'S TESTIMONIAL

IIPE has been instrumental in shaping my career and enhancing my skills. I am grateful to the faculty members for their unwavering support and mentorship. I deeply appreciate the tireless effort of CDC which helped me in securing placement offers from 2 prestigious companies including HPCL-Mittal Energy Limited.

I'm proud to be an IIPEian !!

Ishan Chaturvedi

B.Tech Chemical Engineering

I'M AN IIPEian

PLACEMENT'S TESTIMONIAL

I express my heartfelt gratitude to IIPE for providing me with an exceptional platform to nurture my skills and expertise. The guidance and mentorship from the esteemed faculty have been pivotal in shaping my academic and professional growth. Furthermore, I extend my sincere gratitude to CDC for their dedicated efforts in facilitating placements and fostering opportunities. My success is a testament to the comprehensive training and unwavering support offered by them.

Chavali Jagannadh
20CH10025

B.Tech Chemical Engineering

I'M AN IIPEian

Placement's Testimonial

I'm grateful for the priceless platform IIPE gave me to develop my abilities and knowledge. I extend my heartfelt appreciation to the dedicated faculty and CDC for their pivotal guidance that helped me in securing positions in both a respected private company and a prominent Public Sector Undertaking (PSU) through campus placements.

I'm delighted to be an IIPEian.

Ankita Chakraborty
20CH10006
B.Tech Chemical Engineering

I'M AN IIPEian

PLACEMENT'S TESTIMONIAL

I'm happy to be a part of IIPE because it's given me a terrific opportunity to improve my talents. Over the past four years, the faculty has been a huge support. I would also like to thank CDC for all of their hard work and efforts. I got selected in two companies.

B.Tech Petroleum Engineering

FEW STUDENT TESTIMONIALS

I'M AN IPEian

PLACEMENT'S TESTIMONIAL

I would like to express my sincere gratitude and thanks to IPE and the CDC team, for their efforts in providing opportunities.

In the placement session 2023, I was fortunate enough to receive 3 offers, 2 are from private and 1 from PSU (ONGC).

PROUD TO BE PART OF IPE !!!

NAVNEET BISWAL

I'M AN IPEian

PLACEMENT'S TESTIMONIAL

I would like to extend my sincere thanks to the Career Development Cell of IPE for their extremely commendable efforts in helping the students by providing numerous opportunities.

I'm overjoyed to share that, I bagged 2 offers out of which one offer was from the most prestigious PSU (ONGC) and the other offer is from a private company.

I'm proud to be an IPEian.
