

# Energy Environment Summit

## Hydrogen Energy Resource & Opportunity

# | HERO-2023 |

24th -26th July 2023

Organised By

भारतीय पेट्रोलियम और ऊर्जा संस्थान  
Indian Institute of Petroleum and Energy  
विशाखापत्तनम, आंध्र प्रदेश - ५३०००३  
Visakhapatnam, Andhra Pradesh- 530003

# About IIPE

IIPE, established as an Institute of National Importance under the aegis of MoPNG and located at Visakhapatnam, A.P., envisions to become a globally reputed and nationally recognised as an institute of energy hub, which will be the nodal point for imparting state-of-the-art inter-disciplinary education, carrying out cutting-edge research, providing technical solutions to industries in both renewable and non-renewable energy sectors and advising policy-makers in the country in the domain of energy security of the nation.

## About the Event

In view of India's \$2 Billion Hydrogen Economy Commitment, the Summit is being organized by Indian Institute of Petroleum & Energy to provide in depth exposure on Hydrogen Energy: Production-Storage-Transport. This summit shall be providing a deeper knowledge, covering diverse aspects of Hydrogen Energy to the participants from industries, academia and government officials. The programme is being planned for the officials in the related domain and industry professionals too. The programme will have technical sessions on Hydrogen production, storage, transportation, utilization and policy. The summit shall be chartering the definition of hydrogen economy by deploying and identifying the R&D criticalities.

## Event Venue

Indian Institute of Petroleum & Energy (IIPE)  
Visakhapatnam, India  
Nearest Airport: Visakhapatnam International Airport (VTZ)

# ADVISORY BOARD

**Aldo Steinfeld**  
Prof., ETH Zurich

**U K Bhattacharya**  
Directors Projects, NTPC

**S Dassapa**  
Prof., IISc Bangalore

**KK Pant**  
Director, IIT Roorkee

**Devinder Mahajan**  
Prof., Stony Brook University

**Partha Chaudhuri**  
First Climate

**Pankaj Goswami**  
Director (Operation), OIL

**D Yogi Goswami**  
Prof., University of South Florida,

**Shalivahan**  
Director, IIPE

## Patron

Prof. Shalivahan

## Convener

Prof. Somnath Ghosh

## Co-Convener

Prof. Deepak A Mishra  
Prof. Himangshu Kakati  
Prof. Ranjan Pramanik  
Prof. Rajat Jain  
Prof. Kumud M Tripathi

## Organizing Secretary

Prof. Roshan K Singh

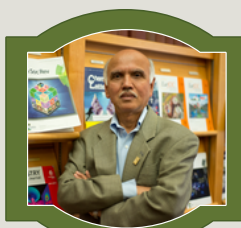

# ORGANIZING COMMITTEE

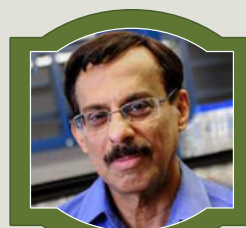

# SPEAKERS

**Devinder Mahajan**  
Stony Brook University, USA

**G. K. Surya Prakash**  
University of Southern  
California

**P Somasundaran**  
Columbia University

**Pankaj Goswami**  
Director (Operation) , OIL

**KK Pant**  
Director, IIT Roorkee

**U K Bhattacharya**  
Director Projects, NTPC

**D Yogi Goswami**  
University of South Florida

**Siddharth R. Mayur**  
Founder President & CEO  
h2e Power

**Shri N L Sharma**  
CMD, SJVN  
PSU of Ministry of Power

**Prof C.S. Laxminarasimhan**  
Lead, iH2, Technology Advocacy,  
Shell India Marketing pvt Limited.

**Deepak Bisht**  
Director HITC at Honeywell  
UOP

**Somnath Ghosh**  
IIPE, Visakhapatnam

The summit covers H2 Generation, Storage, Transport, Economy & Policy, and a Panel Discussion, providing comprehensive insights into the hydrogen industry.

## EVENT REGISTRATION

	Early Bird		Standard
