## **ENEGRON**

Discover the art of strategic problem solving through real world case studies.

Case-Study Competition

20K WORTH PRIZES

IIPE, VISAKHAPATNAM

#### **ENEGRON- REAL WORLD CASE STUDY COMPETITION**

Problem statement provided by an industrialist is in the quest of a solution. Opportunity for all the younger minds to come up with a solution of your own.

#### **ELIGIBILITY:**

Open to all enthusiastic students, from all disciplines, including but not limited to, undergraduates, postgraduates and PhDs.

#### **TEAM SIZE AND REGISTRATION:**

A team should consist of at most 3 members, and each participant can be a part of only one team. The team leader will register on behalf of the entire team. Problem Statement will be uploaded on the website.

#### SUBMISSION OF PROPOSAL:

Teams should submit a brief proposal outlining their approach to creating an effective plan by 10th October, 2023.

#### **EVALUATION OF PROPOSAL:**

The submitted proposals will be evaluated based on creativity, feasibility, and effectiveness in meeting future energy demands while prioritizing the use of renewable energy sources. The maximum word limit for the proposal is 500 words.

SHORTLISTING OF TEAMS: The top 6-8 teams will be shortlisted based on the evaluation of their proposals.

PRESENTATION: The shortlisted teams will be invited to give a 10-minute presentation on their proposed plan in front of a panel of judges.

EVALUATION OF PRESENTATION: The presentations will be evaluated based on clarity of thought, communication skills, technical knowledge, and effectiveness of the plan.

WINNER SELECTION: The top 3 teams with the most creative and effective energy plan presentations will be declared the winners.

PLAGIARISM: Any form of plagiarism in the plan will lead to disqualification.

DISPUTES: In case of any dispute, the decision of the organizing committee will be final.

**Team Registration fees 200/-ONLY**
