# EBLT - 2024

## ✓ ABOUT IIPE

Indian Institute of Petroleum and Energy (IIPE) Visakhapatnam was established by an Act of Parliament under the Ministry of Petroleum and Natural Gas (MoPNG) and declared as an Institute of National Importance. It is a research Institute emphasizing emerging areas in the energy sector. It is committed to producing skilled human resources to meet the quantitative and qualitative gap in the Petroleum and energy sectors

## ✓ ABOUT IIPE LIBRARY

The library is established to support the institute's teaching, learning and research by providing necessary relevant, required current content along with archival demands of the patrons. It works as a bridge between the resources and the reader. It is committed to providing quality products and services to patrons by adopting innovative ideas and embracing state-of-the-art technologies for fast and smooth services.

## ✓ ABOUT THE CONFERENCE

The conference will provide a platform to interact with the leading information professionals of the country, it will not only fuel curiosity of the information professionals but also spark a passion for learning state-of-the-art technologies to provide better services and accurate information to the library stake holders. The conference will be a platform to feed the hunger of library professionals for new ideas to incorporate the latest tools and technologies in libraries. The conference will commemorate India's prestigious "G20 Presidency" and "Azadi ka Amrit Mahotsav."

## ✓ WHO CAN PARTICIPATE

Library professionals, LIS academicians, research scholars, students, information scientists, archivists, knowledge managers, IT professionals,  policymakers, and people from the information industry, and all stakeholders, and person interested in the conference theme.
