

# REPORT ON INTRA-IPE SPORTS MEET 2K24

02-10-24 TO 05-10-24

Sports and Games Committee  
IPE

---

The Intra-Sports Meet 2024 was a grand celebration of athleticism, team spirit, and friendly competition, marking one of the most anticipated events in the annual IPE calendar. As an inter-year tournament, this meet is designed to bring together students from all batches to compete in a variety of sports, offering a platform for both personal achievement and collective pride. The Intra-IPE Sports' Meet 2k24 created history in IPE by hosting the maximum number of sports in the Female category, till date, in the institute.

- Male Competitions: Football, Cricket, Basketball, Volleyball, Badminton, Kabaddi and Chess.
- Female Competitions: Badminton, Table Tennis, Volleyball, Basketball, Throwball, Kho-Kho and Chess.

The first day - 02-10-2024 kicked off with the inaugural events captivated the sight of every participant present on ground. Teams comprising of professionally trained players running alongside athletic sports enthusiasts created a perfect balance and brought to life the long-term desire of all the Students of Indian Institute of Petroleum and Energy. Their dreams being realized was the greatest achievement of this Sports Meet.

The excitement was palpable from the opening ceremony, with each year determined to make their mark on the tournament. The competitive spirit was on full display as students competed not just for individual medals but also for the coveted Rolling Trophy, awarded to the overall best-performing batch.

### **Inauguration (02-10-2024)**

The Intra-IIPE Sports Meet 2024 kicked off with an Inauguration Ceremony, hosted by the student Sports Coordinators of the Committee. ✚ Events on 02-10-2024: The first day

**I. THROWBALL**

Throwball match between Research Scholars and Mixed Team of Btech and MSc students started the event for girls. It took place at the ground of Andhra University South Campus. This year put an end to the familiar winning streak of PhD Scholars dominating this game as the talented opposition won the game as well as the hearts of all IIPeians. The promising players received the crowd's support while the research scholars gave their everything to make this event possible, and the youngsters exhibited unquestionable talent.

## II. VOLLEYBALL

Shortly after facing defeat in the very first match of the event, the scholars made a strong comeback by dominating this game and finally securing the first position. The runners up gave a tough fight by closely following their trail and not giving up till the last moment. Bright stars of Btech emerged as sure showstoppers of the next Sports' Meet – all that is required is a bit of practice! The girls thoroughly enjoyed the first ever official female volleyball match of IPE and already looking forward to the next! This match opened a new door for sports enthusiasts of the institute. The match took place at Volleyball Court of AU South Campus.

### III. BASKETBALL

Mastering anything merely through joy and dedication is a piece of cake and the first girls' basketball match of IPE showed that. They defeated all challenges, ran about the AU South Campus Basketball Court with their smooth skills, and presented an amazing game before the audience. The team of MSc and Btech put forth unstoppable stunning attacks. Although the match was officially won by the team of Research Scholars, it was victorious for each and every player as well as for everyone who were present there at the ground as a substitute player, or to cheer their friends, or volunteering to help everyone during the games. The fact that basketball match for females was conducted as a part of Intra-IPE Sports Meet is where everyone won and both teams returned with smiles on their faces after sharing some of their lives' most unforgettable and heartwarming moments.

The Intra-IIPE Sports Meet events for males started through the hoop! After energetic inter-year matches and some serious baskets, the first year finally lifted the trophies. The finals were all about shooting for the stars where the seniors, the 2nd years gave it their all. The junior most had nothing but net in their minds, thus emerging victorious!

### IV. Chess

Students and Faculties both took part in chess this Sports Meet. From field to indoors they savored each and every bit of it. And all of it was worth it in the end. The chess matches took place at Conference Hall of New Building of IIPE. Masters of this institute are all set to represent IIPE in Inter-College Competitions and/or events.

## V. Cricket

Cricket is the heart and soul of India and this Sports Meet, it was encapsulated perfectly once more. The matches were full of passion and enthusiasm where neither the heat nor the temperature could stop IPEIans assembling in the North Campus Cricket Ground to play and cheer for their years! After some exhilarating shows of catchy games, the Final Years made a memory of their lifetime - winning their last Intra-Sports Meet Cricket Tournament. The silver medalist Third Years with their talent and determination is bound to follow in the footsteps of legacy in the upcoming Sports Meet!

## VI. Volleyball

The kids are surely masters of balls through and over the nets! After basketball, they went on to lift their 2nd trophy this Sports Meet in Volleyball! The Third Years gave them a tough fight, somewhat resonating with the Mixed Team of Girls! All in all, it was a good game!

## ✚ Events on 05-10-2024: The Final Day

### **VII. Badminton**

Badminton Singles and Doubles took place in both male and female categories, at AU South Campus Indoor Courts. Exhilarating matches decided the winner and runner up, both from Btech Chemical Engineering. IPE indeed has a bright future in these games, owing to the standard of players and their talent as well as undying enthusiasm.

### VIII. Table Tennis

This is yet another Female Category sport that was resumed this Sports Meet after a hiatus and it made a remarkable impact. Swift matches were concluded with reflex like Flash, leaving a glimmer of hope for next year as well as upcoming events where students can excel and improve beyond imaginations. These matches also witnessed Btech students as the winner and runner up, the former being from Petroleum Engineering and the latter from Chemical Engineering Department. This also took place in the Indoor Court of AU South Campus.

## IX. Kho-Kho

Kho-Kho was also conducted as a part of Intra-IIPE Sports Meet for the first time ever and this was the final girls' event. The aim was to have fun on the ground, with a team of only 5 members each, both mixed teams consisting of Btech, MSc and PhD students. And the aim was successfully fulfilled. This was a huge step forward and the gratitude extends towards AU authorities for allowing the events to be conducted in their premises, as well as overlooking the games. A special note must be made of all the Volunteers who worked unbelievably hard to make this possible. The Coordinators and the Secretary came forward together as a team to host a total of 7 events for girls in Intra-IIPE Sports Meet, for the first time ever in the history of IIPE. After this huge leap, the institute can only look and move forward, ensuring better responses and participation of girls in sports.

## **X. Football**

Football is the heartbeat of the world, and the first-year students play with boundless energy and passion. With state and national champions on their team, their seniors had a tough challenge in the finals but still gave it their all, especially the goalie. In the end, it is these moments that truly count—like when the entire year chanted his name, honoring his relentless effort that led them to become runners-up. For the talented athletes at IPE, the future is bright in inter-college sports events, and we are hopeful for a trophy to bring back to our institute!

## **XI. Kabaddi**

Kabaddi, a sport that originated in India, is woven into our very essence. The energy was electric during the matches, with the second-year students claiming the gold and the final-year students finishing as runners-up. The indoor courts of AU heated up with excitement, echoing with chants of raid, defense, raid, defense. This is another sport that holds the potential to bring home trophies in tournaments against other colleges!
